

repeal of burdensome country of origin labeling requirements.

Mr. Speaker, I am grateful for Ambassador Doer's personal friendship to me and his relentless service to Canada and his friendship with the United States. I wish him well in his future endeavors.

As chair of the U.S.-Canada Inter-parliamentary Group, I look forward to working with Canada's incoming Ambassador, David MacNaughton, to further build on our Nation's great partnership.

NATIONAL CATHOLIC SCHOOLS WEEK

(Mr. LIPINSKI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LIPINSKI. Mr. Speaker, this is National Catholic Schools Week. I want to recognize the outstanding contributions that Catholic schools make to our Nation.

As a proud graduate of St. Symphorosa Grammar School and St. Ignatius College Prep, and as a strong supporter of Catholic education, I have introduced H. Res. 592 to honor Catholic Schools Week.

Since 1974, this week has celebrated the important role that Catholic education plays in America, especially the dedication of Catholic schools to academic excellence and service. This year's theme—Communities of Faith, Knowledge, and Service—highlights the values that are central to a Catholic education.

Earlier this week I visited St. Joseph's School in Lockport, which has the distinction of receiving three national awards in the past 6 years, including awards for Pastor Father Greg and Principal Lynne Scheffler. Later this week I look forward to visiting Bridgeport Catholic Academy and St. Barnabas School, both in Chicago.

I applaud the work of these and other Catholic schools across the country and all they contribute to our great Nation.

HONORING COACH GLENN ROBINSON

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, I rise today in honor of Coach Glenn Robinson of Franklin and Marshall College in Lancaster.

For 45 years, since he was only 25 years old, Coach Robinson has been leading the F&M Diplomats to victory. Coach Robinson is the winningest coach in the history of Division III basketball. He is now only the third college basketball coach ever to win 900 games, behind only legendary Bobby Knight of Indiana and Philadelphia's Bob Magee.

Four times he has broken his own school record for best record in the sea-

son, 12 times he has been named Region Coach of the Year by the National Association of Basketball Coaches, 12 times he has been Conference Coach of the Year, he has once been Division Coach of the Year, and he has won 93 postseason victories, 42 NCAA tournament victories, including 16 trips to the Sweet 16, 10 trips to the Elite 8, five trips to the Final 4, and one national championship appearance.

True leadership is servant leadership, the kind that finds people's strengths. Coach Robinson is an exemplary leader, and the proof of that is that he brings out the best in his players, 25 of whom have gone all-American.

Coach Robinson is one of the greatest coaches in college history, and Lancaster will always be rightly proud of him.

WE MUST FIX OUR BROKEN IMMIGRATION SYSTEM

(Mr. POLIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POLIS. Mr. Speaker, with one item, the American people speak with a single voice. They want Congress to tackle our broken immigration system, secure our borders, and restore the rule of law. Yet here we are, more than halfway through the 114th Congress, and not a single immigration bill that fixes the problem has even been brought to the floor or committee or passed.

We hear Presidential candidates on both sides of the aisle tapping into the enormous public sentiment that says stop what you are doing and fix our broken immigration system. There are 11 million people or more in our country illegally. The rule of law has been made a mockery of, families are being torn apart by ICE and DHS at great cost to taxpayers. Let's fix our immigration system.

Comprehensive immigration reform will save over \$200 billion, create hundreds of thousands of jobs for Americans, secure our borders, and restore the rule of law.

What is not to like? Let's come together around finally fixing the problem rather than simply complaining about it.

HONORING DAVID LAWSON, ROCHESTER VOLUNTEER FIREFIGHTER

(Mrs. WALORSKI asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize and pay tribute to a brave individual in my district. Rochester volunteer firefighter David Lawson was returning home from an early-morning medical call last month when he hit a deer. While the accident only caused minor damage to his vehicle, it delayed his trip home. While he

was driving, he saw smoke coming out of the vents of a nearby property.

He called 911. He headed to the house and began banging on the front door to wake up the residents. He woke up the adults. The adults grabbed the four kids, and they got out safely. We later found out the fire started in the attic, which is why it did not set off smoke detectors.

David Lawson's courage and resolve to protect the residents of northern Indiana is truly remarkable. On behalf of the people of Indiana's Second Congressional District, I want to personally thank David and every brave man and woman who represent Indiana's finest first responder community for their collective service and commitment to protecting all of our loved ones.

REMEMBERING THE LEGACY OF SACRIFICE AND SERVICE OF DAVID MAURITSON AND PHIL DRYDEN

(Mr. BYRNE asked and was given permission to address the House for 1 minute.)

Mr. BYRNE. Mr. Speaker, I rise today to remember two remarkable individuals who tragically died Monday evening in a plane crash in Mobile County, Alabama.

Major David Mauritson of Fairhope and Lieutenant Phil Dryden of Gulf Shores were members of the Civil Air Patrol, and they were returning from a compassion flight to Baton Rouge where they helped transport a fellow citizen for medical care when their plane went down.

David Mauritson had been a member of the Civil Air Patrol since 1991 and worked for years as a cardiologist and a lawyer. He had been flying all his life and was committed to helping others through charity medical flights.

Phil Dryden served our country in Vietnam as a combat medic. He had just joined the Civil Air Patrol last year and served as the Mobile squadron's assistant operations officer.

Mr. Speaker, one day our time on this Earth will draw to a close. When that day comes, we will be remembered not for what we had, we will be remembered for what we did.

David Mauritson and Phil Dryden left this world helping others. The legacy of service and sacrifice is how they will always be remembered.

On behalf of Alabama's First Congressional District, I offer my deepest condolences to their families. These great Americans will be sorely missed.

IRAN NUCLEAR DEAL

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, as part of the Iran nuclear deal, the Iranian regime will receive up to \$150 billion in sanctions relief. Secretary of State John Kerry has admitted that some of
